

ListaObiektow::creatList

```
graph LR; A[ListaObiektow::creatList] --> B[ListaObiektow::addObiekt]
```

A diagram showing a call from the `creatList` method to the `addObiekt` method. The `creatList` box is shaded gray, and the `addObiekt` box is white. A blue arrow points from the right side of the `creatList` box to the left side of the `addObiekt` box.

ListaObiektow::addObiekt
